

AUDIOLOGY AWARENESS CAMPAIGN

The Audiology Awareness Campaign® (ACC) is proud to announce “Listen Up America”® Week, May 5th through 10th, 2008. This week long event provides opportunities to raise awareness about hearing loss and hearing loss prevention and to promote treatment that can improve the quality of life for those who experience hearing loss.

Audiologists around the country will offer free hearing screenings during Listen Up America Week. GlaxoSmithKline, makers of Debrox, has partnered with the Audiology Awareness Campaign (AAC) to co-sponsor this event.
