**American Academy of Audiology**

April 3-5

Charlotte Convention Center

# Make Some Noise... *About Better Hearing*

*Be a part of*  
***Listen Up America Week***<sup>®</sup> May 5-10, 2008  
*(National Hearing Screening Week)*

Brought to you by the Audiology Awareness Campaign  
and GlaxoSmithKline<sup>®</sup>, the makers of

**Debrox**<sup>®</sup>

*Spread the word* about  
hearing health care in your community  
– and –  
*Create awareness* for your practice –  
during this national week-long event!

**Hearing Health: It's a Family Affair**

Hearing loss isn't just a condition affecting older Americans. During Listen Up America Week all members of the family will be encouraged to take advantage of free hearing screenings. As a participant, you'll receive patient referrals from the Audiology Awareness Campaign.

Pick up your  
Registration Packet at  
**Booth #218**  
or visit  
[audiologyawareness.com](http://audiologyawareness.com)

*Don't miss your chance to be a part of this  
national media event to promote hearing health.*
