

Once a patient's warranty expires or they have lost a device, the cost of repairing or replacing that device is the responsibility of the patient. With these programs, you can extend your patients' L&D and repair and provide them invaluable peace-of-mind. Repairs can be sent directly to the manufacturer or to the repair lab of the practitioner's choice. ESCO will cover the repair cost for any repairs during the warranty extension period.

## PROTECTION PLUS

- One (1) Loss & accidental damage beyond repair
- Term - Twelve (12) month warranty plan
- Benefits may be renewed annually

## PLATINUM PLAN

- One (1) Loss & accidental damage beyond repair
- 12 Month repair warranty on normal wear and tear
- Term - Twelve (12) month warranty plan
- Benefits may be renewed annually

## REMINDER CARE PROGRAM

The Reminder Care program offers a way to maintain contact with your patients by reminding them that their manufacturer's warranties are expiring and encouraging them to contact your office for an annual check up. ESCO tracks the instrument and warranty information so you can spend more time helping your patients.
