## ■ Welcome to Alabama Hearing Associates

### **Happy 5th Anniversary Alabama Hearing Associates!**

Welcome to Alabama Hearing Associates, providing audiology services to North Alabama and the Tennessee Valley since 2002. At Alabama Hearing Associates, we realize that the idea of hearing loss and purchasing hearing aids can be overwhelming. There are many emotions involved and uncertainties about hearing loss and hearing healthcare. That is why we have developed this website for you, the patient.

When you choose Alabama Hearing Associates, you are guaranteed complete satisfaction. Our [audiologists](#) are trained and proficient in the use of cutting edge testing procedures and hearing aid fitting technologies. The result is the best prescription for your hearing loss. Our relationship does not end when we fit hearing aids; in fact it is just the beginning. We are committed to providing you with exceptional care and service for the life of your hearing aids.
