

## I'm Listening

Music. I live by it. Groove to it. All day. Everyday. MP3 player at my waist. From jazz funk to kick-start my day — to classic Hollywood sound tracks to usher in the evening. It's constant. And it's pure. I am listening — And it's *music to my ears!* I'm listening to the incredible sound quality and fidelity of universal fit in-ear musicians monitors from Westone.®

Built to the highest professional standards, Westone® universal fit in-ear musicians monitors offer superior sound performance. Designed for musicians and music lovers, anyone concerned with studio quality sound will love the true universe of sound found in our single or dual driver monitors. Certainly no bootleg sound here! An affordable, universal fit earpiece perfect for your personal electronics. Laptops. MP3 players. CD players and more! See your authorized Westone® Music Products Dealer and ask about *Music to Your Ears.* **You'll want to listen.**

## Are You Listening?
