

SECURE CLIPS TO PREVENT THE LOSS OF YOUR
HEARING INSTRUMENT

I'm Listening

It's impossible.
Improbable.
Never gonna happen to
me. I just can't lose it.
I keep my hearing
instrument attached to
my clothing with a light-
weight OtoClip®.
It's secure. Safe. Cool.
I am listening.
I'm protecting my
hearing investment with
a Westone® OtoClip®.

 **Westone**

Golfing. Hiking. Traveling.

Or working around the
yard. It's nearly
impossible to lose your
expensive hearing
instrument with an
OtoClip®. Simply attach
the lightweight lanyard to
your instrument, then clip
it securely to your
clothing or eyeglasses.

You stay connected to
your hearing instrument
no matter how active
you are! They're clear
or colorful. Smart and
secure. Safe and
attractive. And available
in styles to fit practically
any hearing device. Put
your mind at ease. See
your hearing healthcare
professional and ask
about OtoClips®.
You'll want to listen.

Are You Listening?

**OtoClips® protect your expensive
hearing instrument.**

Keep your hearing instrument safe with an OtoClip®. It just
might be the best investment you'll ever make!
